To be determined later

**Communications Class**

No supplies needed

**\*\*CALCULATORS FOR  
MATH AND SCIENCE  
COURSES**

Note: When purchasing a  
calculator, please purchase  
the most basic calculator that  
you can find that has trig  
functions (SIN, COS, TAN).

Most anyTI-30 or TI-36  
scientific calculator is  
acceptable. Walmart sells  
these calculators for \$8 to  
\$12. Please **DO NOT** buy  
“pro”, graphing, or other  
“fancy” calculators.

**ART SUPPLY LIST for HS Art**

**High School Art Supplies: For  
high school art classes, there is a  
studio fee of \$25.00.** Please bring  
this \$25 on the first day of class for  
all supplies. You will not be asked  
to bring anything else the rest of  
the year. You will also be able to  
keep the supplies after the class is  
finished if you so desire to.

*Note regarding supplies for  
High School Art Classes: If I  
order in bulk it will save you  
money so that is what I am  
doing. You will receive a variety  
of supplies when you turn in your  
money. At the local craft store all  
of these supplies together would  
cost you about \$50, but by  
ordering in bulk I can cut the cost  
in half.*
